*Thank You for your Business!*

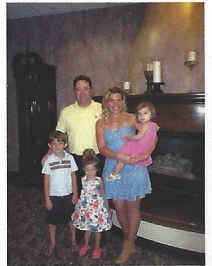

I want to take a moment to say "Thank You" for allowing our company the privilege of cleaning your home. I truly appreciate that you gave us this opportunity to show you our best. If you have any questions regarding your cleaning, please do not hesitate to call me.

Our technician should have given you a couple of referral cards and explained to you our **Referral Program**. It's simple to do, just see the cards for complete details. I truly appreciate the confidence our customers have shown us by referring us to their friends and family. Rest assured, we will never let you down in that confidence. Continued support from satisfied customers is what has allowed our company to grow.

Thank you again, for your business and your support.

Sincerely,

*Mickey Bennett*
